OUR MISSION

Our mission is to promote the well-being and empowerment of men struggling with the pain of addiction through individualized care and compassion. Our multidisciplinary team utilizes evidenced based practices through a mindful and holistic lens to achieve healing and lasting recovery.

- ▶ While completing detox, your case manager can send a referral packet via fax or email.
- ▶ Upon receiving a packet, one of our dedicated admissions counselors will call to provide a phone screening.
- ▶ If accepted, we will work with your treatment team and insurance provider to coordinate your transfer to one of our three locations.

CLIENT TESTIMONIAL

M. MCCULLOUGH

After 10 years of battling addiction to various drugs, I went to ECS for 28 days of rehab and it was a life changing experience. I have gotten my position back at my regular Job as well as my freedom in my life and am a better man than I have ever been thanks to the counselors, staff and Dr. Sharma at ECS.
